#### Important Information

(\*) Juniors can be placed in a homestay provider, if they come as a part of a closed group.

(\*\*) These fees apply when the student is away for a full week and the homestay provider has been informed atleast one week in advance. If the student is away for a few days, a full weeks payment still applies.

(\*\*\*) Twin rooms are only available if the student is accompanied by a friend or relative, otherwise single fees will apply.

(\*\*\*\*) During the summer season arrivals are on Sundays only. Homestay provider are not able to accommodate extra nights unless a full weeks payment is received.

Accommodation over the summer season must be paid in full and in advance for the duration of the stay in order to guarantee accommodation.

The vast majority of homestay providers have pets. This is quite normal in the UK and they are often considered part of the family. We can only guarantee a student is placed in a family without pets if a medical certificate is provided to the school in advance.
